

# Research for **Better Teaching**

**Empowering Sustainable School Improvement**

## **RBT Consultant Patricia Wiedel**

Pat's experience in education spans over 30 years in Virginia, and includes teaching students in primary and elementary grades to leading adult learning and systems change as a principal and district administrator.

## **RBT Client Services Beverly Ross Denny**

Beverly is a member of the RBT Client Services Team where she has the opportunity to engage schools and districts all over the world to learn and respond to their professional development needs.

## **Complimentary Workshop:**

### ***Strengthening Tier 1 Instruction for ALL Students with High-Expertise Teaching***

Please join Research for Better Teaching (RBT) Consultant Patricia Wiedel and RBT Client Services Representative Beverly Ross Denny for a complimentary workshop where they will share how RBT's professional development can **improve Tier 1 instruction**.

Pat and Beverly will discuss how you can:

- Define and develop core competencies in **beginning teachers**
- Introduce an instructional framework and establish a **common language for instruction**
- Prepare teachers to become life-long learners
- **Cultivate and strengthen collaborative teams** that improve instruction and student outcomes together
- **Create equitable learning environments** that promote the learning and achievement of ALL students

**Tuesday, March 13, 2018, from 10am-2pm**  
**Edward Kelly Leadership Center, Room 1101**  
**14715 Bristow Rd, Manassas, VA 20112**

Lunch will be provided

**Limited seating. Click [here](#) to register today**
